

Palaniappan Alagu Karthik

Diploma in Ai & Data Engineering

About Me

I am currently studying AI & Data Engineering at NYP and have a background in Electronics Engineering. I enjoy learning about technology and exploring how AI can be used to solve real world problems.

E-Portfolio

Skills

Programming & Data
Python, Pandas, NumPy, Matplotlib, Power BI
AI & Machine Learning
Machine Learning, Scikit-learn, Deep Learning, NLP, Computer Vision
IoT & Embedded Systems
Arduino (C/C++), Raspberry Pi, M5Stack, Sensors, BLE
Cloud & Databases
AWS Cloud, MySQL

Language

- English
- Tamil

Education & Awards

(2019 - 2022)

CHRIST CHURCH SECDONARY SCHOOL
GCE N(A) Level

(2023 - 2025)

INSTITUDE OF TECHNICAL EDUCATION (ITE)
Higher Nitec in Electronics Engineering

- Director's List (Apr 2023 to Sep 2023, ITE)
- Director's List (Oct 2023 to Mar 2024, ITE)
- Certificate of Merit (ITE)
- SINDA Excellence Awards 2025
- AEIS Book Prize

(2025 - 2028)

NANYANG POLYTECHNIC
Diploma in AI & Data Engineering

- Director's List (Y1S2, Polytechnic)

Experience

(8 April - 26 August 2024)

INTERN
iWOW Connections Pte Ltd

- Configured 600+ 4G modems and IoT sensors, and 300+ Modbus RTU modems for onsite multi parameter readings
- Monitored 1,200+ water, electricity and BTU meters across LoRa networks and application servers
- Assisted with signal strength field tests and supported monthly meter readings for all ESSO petrol stations in Singapore
- Maintained device configuration records and project documentation
